

SWE JUDGES NEEDED FOR SCIENCE FAIR APRIL 1

Mark your calendars and plan on joining in this fun, easy SWE volunteer activity. The 2009 Greater San Diego High School Science and Engineering Fair judging day is Wednesday, April 1, 2009 and we need SWE judges. The fair is held at the Balboa Park Activity Center on the corner of Park Blvd and Inspiration Point Way. Students from 7th through 12th grades will be there displaying their projects proudly. Judges will spend a couple hours during lunchtime talking to the students about their projects and ultimately select SWE-SD award winners.

If you would like to be part of the SWE judging crew, please contact Laura.Meldrum@swe.org by March 12.

Info about the Science Fair itself can be found at <http://www.gsdsef.org/>
